June 2026

Dear Parents/Guardians,

We are thrilled to welcome your children to our classrooms for the 2026-2027 school year!

In order to make our scholars' learning experience a productive and successful one, we are providing a list of school supplies that are meant to last the **entire** school year. Please review the list below carefully and get the required supplies ready for the first day of school. We have also included pictures of the items to facilitate your purchases.

A change of clothes is also necessary in addition to the supply list
Please put the clothes in a ziploc bag with your child's name on it.

We look forward to meeting your children and to our partnership with you.

Best regards,
Ms. Bes and Ms. Preethi
